Mr. Carlton W. Betts
3 East 84th Street
New York City

Dear Sir:

We are endeavouring to learn the address of the widow of Mr. Albert R. Frey, an honoured member of our Society for many years. Mr. Frey's brother informs me that the maiden name of Mr. Frey's wife was Betts, and also that he believed she had a brother with the given name of Carlton. I am writing to ask whether Mrs. Frey is your sister, and if so, if you will kindly give us her address?

For your information I would state that in 1916 we published a dictionary of numismatic names by Mr. Frey, and we have learned that he left a number of corrections to it in manuscript. We desire to obtain these corrections if possible, in the advent that a new edition may sometime become desirable.

We should appreciate any help you may be able to give us in locating Mrs. Frey, and if there is no relationship, I trust you will pardon the request.

Very truly yours,

Secretary.
